Dear Sir/Madam,

**Subject:** Significant Development - Expansion of AAC Block Manufacturing Plant

**Ref.: Announcement under Regulation 30 (3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Pursuant to Regulation 30(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform you about a significant development concerning our wholly-owned subsidiary, Bigbloc Building Elements Private Limited.

We are excited to announce the completion of phase 2 expansion of our AAC Blocks manufacturing plant located at Village Kanchad, Taluka Wada, District Palghar, Maharashtra. Following the successful start of phase 1 just last year, this expansion has doubled our manufacturing capacity from 250,000 to 500,000 cubic meters per annum, establishing us as the largest AAC block manufacturer in the country.

In addition, we would like to inform you that the rooftop solar plant, which was undergoing installation, has now been commissioned alongside this expansion. The capacity of the rooftop solar plant at this facility is 625 KW.

We will provide further updates as we progress with the necessary approvals and the solar project.

Kindly take this information on record.

Thanking You  
Yours Faithfully,

**For BIGBLOC CONSTRUCTION LIMITED**
